Flights

This is your e-ticket itinerary document. We recommend you take a printout of the booking confirmation and present with your identification at airport check-in.

Car Hire

A valid credit card in the first name and surname of the lead driver must be presented at the rental desk in order to pre-authorise/charge a deposit. Debit cards will not be accepted.

Australian Digital Drivers Licence holders renting interstate or overseas must present their physical photocard at car collection. Please check the Terms & Conditions of your Digital Drivers Licence.

Some rental companies charge additional fees for younger and older drivers. Age restrictions may apply in some regions. Please refer to the car rental company's website for more information. If you require additional drivers, you will need to apply at the pick-up location. There may be restrictions on the age and number of people who can apply, and additional fees may apply. One way rentals: If you are returning the car to a different location a fee will normally apply. If it is not specified that the fee is included in the rate, the fee will be payable in local currency directly to the supplier at the rental desk upon collection. Please refer to the car policy/rate inclusions and your rental confirmation for further information.

Please note that if you collect or return your vehicle outside the pick-up/drop-off time and date booked, additional charges may be applicable or may not be possible. Please contact the rental desk in case of this. Please also note that the vehicle may not be available if you arrive late to the rental desk. If the vehicle is not released due to a late arrival, no funds will be reimbursed.

If you are planning to travel across national or state lines or to another island within the same country, please contact the rental car company directly to inform them of your travel plans before picking up your vehicle. Restrictions and fees may apply. Please check the car rental company's website for contact information.

All car hire has a non-refundable excess charge for which a credit card imprint will be taken. If the car is involved in an accident or is lost or stolen, this will be non-refundable.

LOW COST CARRIER: Low Cost Carrier flights booked via American Express Travel Online may be non-refundable. Depending on the airline, changes to date/time may be possible subject to seat availability and fees may apply. We do not have access to Low Cost Airline booking systems. You will need to contact the airline directly to manage your booking. The airline may change flight schedules and terminals at any time. If the airline makes any changes to your flight itinerary (initiated by the airline or by you) we will not be notified. The airline will contact you directly via the email address or phone number provided in this booking instead. You will also receive an email directly from your chosen airline with important information about managing your booking. This includes your confirmed airline booking reference, and the cost of your flight(s) in the local airline currency. Any difference when converting to the local amount you have paid will be due to the exchange rates used and 3rd-party fees and is not an additional charge by American Express.
